At the Group AGM in Belfast on the 25th September 2010 it was agreed the Forth Valley Branch would organise and hold a Burns Supper, here are the details of that event,

The Park Hotel have given us a discounted price of £70 B&B for double and twin rooms and £50 per single room, should you wish to book accommodation at the Park Hotel please phone the above number and tell them that the events manager has agreed these prices. There is only 50 rooms at this hotel so I would advise early booking. (This hotel also owns the Cladhan Hotel in Falkirk which is less than 5 mins. away by taxi.)

A four minute walk from the Park Hotel there is a brand new budget hotel at Premier Inn Main Street Camelon Falkirk FK1 4DS Tel No 0871 5278388, this hotel has a limited number of rooms so again book early.

Can we ask the branches to respond quickly with numbers and purchase tickets early to help us with **our organising.**

All cheques to be made payable to Royal Engineers Forth Valley Branch.

We hope to have a photographer from the Falkirk Herald present on the night so can we ask all branches to bring their Standards with them so that a suitable picture can be taken.

I will be at REA AGM London on the 9th October 2010 where I will be quite happy to give you any further information you require. In the meantime can I ask you to direct all correspondence and bookings to me at any of the following.....
