ORGANISATION

REPORT TO THE ROYAL ENGINEERS ASSOCIATION
MANAGEMENT COMMITTEE AT THEIR MEETING ON
WEDNESDAY 28 JANUARY 2009

Mill Rythe Holiday Village Hayling Island Hants

Spring Reunion 8-15 May 2009

To date just over 155 bookings have been received which is below our normal average at this time and well below the number of 300 required for exclusivity. We are still hopeful that we can finish nearer the 200 but there will be other like organisations, which the venue will invite, to make up numbers and therefore our input into the activities will be greatly reduced.

Activities for the week will include our coach trips to places of interest, and on the Sunday The Rev Cannon John Harwood will conduct the Remembrance Service in the Ballroom. Our Grand draw will be on the Wednesday followed by the Gala Dinner on the Thursday.

Spring Reunion 14-21 May 2010

Mundesley Holiday Village, Paston Road, Mundesley, Norfolk

Discussions are still underway with this venue, but the date has been pencilled in and we are confident we will be in a position, by our meeting, to be able to confirm details.
