**Dear Hon. Secretary and Branch Members**

This letter is to explain the changes taking place in the R.E.A. Families Events Organisation

At the AGM held at Mill Rythe Holiday Village on May 14 this year I was re-elected to the position of National Organiser, Chairman and Secretary a position I have held for the past four years.

Two weeks later on May 27 I was contacted by the President Mr H Evans informing me that he had received letters from all the Stewards indicating that they were unhappy with my running of the Organisation and requested a change. Without the support of the Stewards it would be impossible for me to continue to serve you all and therefore I have stepped down from the position. I am only sorry that the Stewards were not able approach me direct to discuss their concerns.

I understand that the President has agreed to act in a caretaking role until a replacement can be appointed and fortunately my negotiations for the 2010 event were in the early stages so my successor will have a clear field to finalise details.

Over the past eleven years as Steward, Treasurer and National Organiser I have enjoyed being in a position to assist in the running of the events and I thank you all for the support you have given me and to what is a unique Organisation.

I wish you all every success for the future.

Yours truly,

K O Coward
